The following transfer agreement must be signed and sent to ATZK before your manuscript (extended abstract min. 4 pages can be accepted as well in case of publishing the article in the same form in scientific journal or in an open-access journal) and/or presentation abstract or slides can be accepted for presentation at the

5th International Conference on Heat Treatment and Surface Engineering in Automotive and Transportation Applications

and published in the conference proceedings. This includes print and electronic publications produced by IFHTSE and its member society ATZK.

In the case of acceptance of the paper for presentation, copyright, title interest and all rights to the article(s) are hereby assigned and transferred to ATZK and IFHTSE equally. The author(s) reserve(s) the following rights:

1. All proprietary rights other than copyright, such as patent rights.
2. The right to make oral presentation of the same material in any form.
3. The right to reproduce figures and extracts from the article(s) with proper acknowledgment.
4. The edited and modified article may be published by the author in any scientific or professional journal by reproducing the images with the appropriate description according to point 3.
5. In the case of publication in an open-access journal or when the open-access option is selected in the case of other journals, extended abstract (min. 4 pages) will be accepted as the manuscript and it is sufficient to provide later a link to the entire article which will appear in the electronic version of the proceedings on the ATZK or IFHTSE websites.
6. Royalty-free permission to reproduce this article, for commercial and business use, e.g., placing the article or presentation on the company website for download.

By signing this agreement, the authors warrant that this manuscript or extended abstract is their original work, does not infringe any copyright, does not violate any other right of any third parties, and that any required clearances from their own organizations, contract sources, government agencies, etc., have been obtained prior to submitting the manuscript to ATZK. If each author's signature does not appear below, the signing author(s) represent that they sign this agreement as authorized agents for and on behalf of all the authors, and that this agreement and authorization is made on behalf of all the authors.
